2010 Monroe Street

Costumes applauded
(Come on, everyone's doing it!)

Beer, hot cider, kid friendly punch, and more food than you could possibly eat will be provided. I promise that there will be something you like. If you must bring something, bring wine. We will have a fire outside and a movie room for the youngsters.

Everyone is welcome. Bring your significant others, kids, friends, neighbors or that dude you just picked up on the street.
